Five Big Prizes to be Given Away at Shopping Carnival

The big eight-page flier is in the malls, announcing the Didsbury Merchants' Shopping Carnival to be held from Saturday, November 5th to Saturday, November 12th, and you are urged to check over this circular and to take advantage of the many bargains offered in goods and services.

The carnival is the first to be undertaken by the Didsbury merchants, and since many are not aware of the various rules and regulations we publish them below.

A ticket will be given for each dollar's cash purchase or service purchased during the Shopping Carnival.

Not more than 100 tickets will be given on any one purchase.

Advertisers and their families are not eligible to win prizes.

Lucky ticket holders do not need to be present at the drawing to win.

Prizes must be claimed within two weeks of the draw.

Tickets for the prizes will be given away by the business firms who are sponsoring the Shopping Carnival.

During shopping days, Saturday, November 5th, to Saturday, November 12th, including the day of fall to ask for your shopping carnival ticket with every \$1.00 purchase.

Balot Box closes 9:00 p.m. and draw will take place at Lions' hall at 10:15 p.m. November 12th.

Tickets for the prizes will be given out by every business advertising in the flier.

There will be five big prizes to be drawn for at the close of the shopping carnival. First is a chair and ottoman values at \$89.50. Second is a beautiful dinner set valued at \$55. Third is a Kodak Fourist Camera valued at \$39.50. Fourth is a pair of Hudson Bay point blankets valued at \$30, and fifth prize is an electric kettle valued at \$14.95.

FREE SHOW

On the first afternoon of the shopping carnival, which is Saturday, November 5, there will be a free show for the kiddies in the Didsbury Open Theatre, who are mounting this feature for their many young patrons, and to the children who may be visiting Didsbury for the first time.

Save on your fall and winter purchases. Take advantage of the many bargains advertised by the Didsbury merchants for the week Saturday, November 5th to Saturday, November 12th, and at the same time join in the hundreds of other shoppers in the hope that you may be one of the lucky winners of the big prizes.

COMMUNITY ART CENTRE NEWS

Mr. Taylor, instructor in Fine Arts at the University of Alberta, will take this week's class in the High School on Saturday, November 5, from 4 to 6 p.m. There will be a demonstration of all painting and slides. It is hoped that there will be a good attendance.

SUCH WAS LIFE

Like many other pioneer ministers who came to the West to serve the district dotted here and there with a few members and adherents of their faith, Rev. Black settled on a homestead in the country.

Due to hills and rock ledges the best way to get about (except horseback) was with a buckboard.

Two hours' democrat. Trails or no trails, many isolated shacks had to be visited.

Pastor Black had very little experience with horses and harness and on one occasion when he attempted to hitch his ponies to the democrat he had the breeching so badly tangled that he could not make a proper hitch. The more he twisted to undo the tangle the worse it got.

Discouraged and belated for his trip he thought he would scan the pages of a noted dictionary for information, but even then found no way to ratify his tangled harness.

The next day after consulting with his wife and in true Western hospitality solved his problem. Pastor Black expressed his gratitude and remarked, "You know the blessed book never even mentioned the word and I find there is so much to learn in pioneer life that is not found in the dictionary."

MEETINGS TO DISCUSS THE T. B. FREE AREA

Farmers of the Municipal District of Mountain View No. 49 are urged to attend the meetings being held to discuss the formation of a T.B. free area, which are being held on Monday, November 7, at 2:00 p.m. at Carstairs; on Monday, November 7, at 8:00 p.m. at Crossfield, and on Tuesday, November 8, at 2:00 p.m. at Olds.

Show Exclusive Pictures of N.W.T.

Members of the Didsbury Fish and Game Association and their friends were treated to an exclusive showing in Didsbury of pictures of Canada's northland on Friday night, when Mr. J. M. Good, a mining engineer with the Kasba Exploration Company, came out from Calgary to show several hundred feet of colored film which he had taken in the North West Territories on several of his visits in connection with his profession.

Mr. Good, who visited with Mr. and Mrs. J.W. Wordin and family, showed the pictures of his various expeditions. He also showed Gordon mixing the famous Boscombe Pancake Flour used extensively by mining men in the north.

The films dealt with scenes in the Territories all the way from the west coast to north of Churchill, showing various birds and animals of the north, including the caribou herds in migration.

Those present showed keen interest in the films and expressed their appreciation at the close of the program.

Funeral Services For Zillah Cressman

Miss Zillah Cressman, 62, died in the Didsbury hospital on Tuesday, October 25th, following a lengthy illness, and one more of our pioneer citizens has passed to the Last Resting Place.

Born in Baden, Ontario, March 26, 1887, Miss Cressman was the youngest daughter of Mr. and Mrs. Samuel Cressman and came to Alberta in 1899 with her parents and other members of the family, and they homesteaded near Carstairs, later moving to Didsbury.

She was a loyal and active member of the United Missionary Church for thirty-six years, and also took an active part in the work of the Women's Christian Temperance Union, of which she was secretary for the past 29 years.

Surviving are two sisters, Mrs. George Ryckman of Bellings-Wash; Mrs. Roy Curdy of Kent-Wash.; three brothers: Millie of Stavely, Alberta; Bruce of Kevessville, Alberta; and Elliot of Didsbury, Alberta.

Funeral services were conducted by Rev. E. G. Archer from the United Missionary Church, Didsbury, on Friday, October 28, at 2:00 p.m.

Interment followed in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

Bancroft Buttercups Plan For Dance

The Bancroft Buttercups held their monthly meeting at the home of Elma Swanson on October 22, with fourteen members present.

The roll call was answered by Juniors telling what they did at some Hallowe'en party, and the Seniors telling what they did out Hallowe'en.

The objective for both Seniors and Juniors was to make new program books.

Plans were made for a dance to be held at the Carstairs East Community hall on November 4.

The music is to be supplied by Harold Anderson and his Calgary Ranch Boys. Two door prizes will be given, one a lovely chemise held spread and the other three dollars in cash.

After the meeting a very delicious lunch was served.

Big Game Season Opened Tuesday

The big game hunting season opened in Alberta on Tuesday, November 1st and will continue for one month, closing November 30.

Due to lack of snow in the foothills some hunters are delaying their annual trip to their favorite location, but others are keeping better to the go and left the first of the week hoping that snow would fall before many days have passed.

Reports from sheep and goat hunters returning after their October outing seem to indicate that there is still a fair quantity of game in our west country, but deer seem to be the most plentiful.

The bag limits have been greatly reduced this year and hunters can only take one animal, either a deer, a moose or an elk, which ever happens to be shot first. Some game association members feel that this will be an inducement for hunters to shoot the first animal they can, but should the operators be successful, they will take another animal and bring out the one they consider most satisfactory.

However, the game branch plans to have more wardens on the job and their instructions are to make sure that visitors all camp and watch closely for any infractions of the game laws. All game must be tagged in the usual manner and inspected by wardens who are posted at strategic points in the forest reserves.

Ladies' Sports Club Hallowe'en Party

Midst ghosts, witches, cats and pumpkins the Ladies' Sports Club enjoyed an hilarious Hallowe'en party at the home of Mrs. Le Grand on Hallowe'en night.

Costume prizes were awarded as follows: Best comic, Mrs. Glen Roberts; Best costume, Mrs. A. Hunt; 2nd; Best dressed, Mrs. R. McGaffin; 1st, Miss Jean Shultz 2nd.

Games, pranks and contests were thoroughly enjoyed by the 25 members and guests present. Pumpkin pie and ice cream was served to the ladies at the close of the evening's entertainment.

The next meeting of the Club will be held at the home of Mrs. Glen Roberts on Thursday, November 10. This will be a special busines meeting and members and visitors are urged to attend.

PREVOST MOTORS INSTALLS MORE NEW EQUIPMENT

An advertisement in this issue of the Pioneer announces the installation of a new Distributor Stroboscope at Prevost Motors. Bert Prevost, the proprietor, said his new machine is almost human and is capable of fully checking car and truck distributors, showing to the finest degree any inaccuracy of adjustment or worn parts.

W.C.T.U. MEETING AT W. REIST HOME

Over 50 people attended the W.C.T.U. parlor meeting at the W. Reist home on Friday evening, October 20, when a very enjoyable program, including recitations, instrumental selections and solos was enjoyed.

Encouraging remarks were given to the members by Rev. E. Archer and Mr. W. Reist on temperance work.

A delightful lunch was enjoyed at the close of the meeting.

WEAR A POPPY — AND REMEMBER

Once again this year the Canadian Legion is asking the people of Alberta to wear a poppy in memory of those who died for their country.

During the years since Col. John McCrae wrote the challenging poem "In Flanders' Field," the poppy has taken on a peculiar significance. It has come to typify in many countries of the world the debt which we who live owe to those who have fallen.

There are many cases on record with the Poppy Fund where the necessary assistance has been forthcoming in the matter of hours to a disabled veteran. It should be remembered also that there are many worthy veterans who hesitate to apply for assistance from the fund. Many of these have twice gone into Uniform for the service of their country. Through the comradeship of the Canadian Legion their needs are learned and assistance is given.

This appeal is one that deserves the support of every citizen.

Wear a Poppy and Remember.

FIRE DESTROYS PIANO ON WAY TO DIDSBURY

Mrs. Fred Evans of Didsbury has lost her piano—by fire.

The musical instrument was being moved from Craigleath to Didsbury last Wednesday and when about five miles from Craigleath the truck driver was stopped by the operator of a road maintenance and informed that the piano he was tracking was on fire.

The truck was backed to the ditch and the burning instrument was shoved out.

Origin of the fire is unknown.

The truck was only slightly damaged, but we understand the piano was a total loss.

Budget of News From the West

Mr. and Mrs. E.W. Lowrie went to Edmonton on Monday, where their son-in-law, Mr. Roy Watson, had an emergency appendix operation.

Mr. and Mrs. J. Bagshaw spent a couple of days in Calgary last week.

Mr. and Mrs. R. Betus visited in Three Hills on Sunday.

Mr. Harvey Hosegood returned to the University hospital last Wednesday and among those visiting him on Sunday were Mrs. M. Brown and Mr. Burkett of Calgary. Mr. and Mrs. Bert Smith, Mr. and Mrs. A.L. Hogg, Mr. and Mrs. McNaughton, Mr. and Mrs. Tom Morris, Mrs. O. Krebs, Jean and Howard.

Mr. and Mrs. J. Bagshaw were back in Didsbury on Sunday.

Mr. Dan Russell went to Red Deer on Saturday afternoon to see Danay Jr., who is in the hospital there.

Mrs. Norma Rigby is a patient in the Didsbury hospital, having had an appendicitis operation.

Mrs. O. Krebs, Howard and Jean, and Mr. and Mrs. L. Krebs were Calgary visitors on Thursday.

Mr. and Mrs. Alfred Cowitz have been spending the past week in Calgary.

C. E. Konschuh was a Calgary visitor on Friday.

Little Larry Krebs was a patient in the Didsbury hospital over the week end with a badly ulcerated tooth.

3900 Eastern Brook Trout Stocked In Local Streams

The regular meeting of the Didsbury Fish and Game Association was held in the Lions Hall on Friday evening, with a fair attendance of members, and reports were given on the various activities of the Association during the summer months.

The report submitted by the chairman of the predator control campaign, Mr. E. Grange, showed that in the short spring campaign the boys and girls of the Didsbury district turned in over 4800 pairs of crow and magpie feet. However, since the magpies seem to be as plentiful as ever, the boys turned to again have a winter campaign in an endeavor to depopulate the magpies, and if everything is favorable this will start early in December.

Mr. Ed Ford, chairman of the fish committee, reported that the fishing in general in the immediate territory had improved this year and the restocking of streams with adult fish was proving a successful experiment. This summer Mr. Ford was able to have the fisheries department place 1600 Eastern Brook trout in the Fallen Timber River and 1200 Eastern Brook trout in the Beaver River on the Josephine Bone property. Another 1100 were placed in Lower Creek. Besides this stocking in the immediate district Mr. Ford reported

that several hundred Eastern brook trout were stocked in the streams north and west of Sundre. The above were all good-sized trout, from six to ten inches in length.

Irwin Klein, chairman of the big game committee, reported briefly on the game situation, which is fairly good, and explained that only one big game animal, either a deer, moose, or elk, can be shot this year on the regular license. Slim Goodman, who just returned from a sheep hunt in the Rockies, reported sheep scarce, but game animals seemed to be holding their own. He did however, note that deer were on the increase. Signs of timber wolves were prevalent and these animals appear to be taking many of the calves of moose and elk, as well as adult animals.

Mr. J.W. Wordie spoke briefly on the storage of game animals in the locker plant and stated that regulations require that all big game for storage must be in the locker not later than two weeks after the close of the big game hunting season.

At the close of the meeting Mr. J.W. Wordie showed color slides of which he had taken in Canada's North West Territories, and these were greatly appreciated by the audience.

HALLOWEEN HANDOUTS

Hallowe'en in Didsbury passed quietly and very little mischief was done by the local boys and girls, which speaks well for the behaviour of most of our young people. A few households were turned out for the occasion, but the younger set confined their activity to making the rounds for "Hallowe'en handouts" and judging from the heavy loads some of the younger set were carrying, the local housewives were quite generous with their treats.

Friday, November 11th is a Dominion holiday and all places of business in town will be closed.

The regular monthly meeting of the Afternoon Group W.A. of the United Church will be held at the home of Mrs. E.G. Ranton on Friday, November 4, at 2:15 p.m.

The Afternoon Group W.A. of the United Church will hold a Bazaar Tea on Thursday afternoon, November 3rd, starting at 3:30 p.m. in the basement of the United Church. Admission is an article for sale for the bazaar.

Irwin Klein left Saturday with a party of hunters west of Olds on their annual big game hunt. They expect to be away about three weeks.

Mr. and Mrs. W.W. Gillrie returned Sunday from Edmonton where they spent a few days visiting with relatives and friends.

DIDSURY HOSPITAL BIRTHS

Born at the Didsbury hospital on Saturday, October 29, was a son to Mr. and Mrs. J.T. Brookman on Saturday, October 29, a son.

To Mr. and Mrs. Reid on Sunday, October 30, a son.

Jutland Beef Calf Club Needs One More Feeder Member

The meeting of the Jutland Beef Club was held in the home of Mr. and Mrs. S. Brander on Saturday, October 29, and was well attended, with twenty-five present, including visitors and parents.

The new officers conducted the meeting for the first time, with Bud Tieke in the chair. Lois Shells gave a splendid report on how she fed her calf last year with actual costs of feed and profit made, which was \$88. after paying \$100 for her calf, and feeding it throughout the winter. Her Hereford calf was one of the best in the club.

Although the members are showing keen interest and attendance is good, the club still needs one more member feeding a calf to be eligible for the Government grant.

Mr. McPhail said that the other Beef Clubs in the circuit had organized and he believed there would be at least 80 calves for the sale. He outlined the proposed idea.

BURNSIDE NEWS

Mr. and Mrs. Glen Fulkerth, Betty and Peggy, were Calgary visitors last week. We understand that wedding bells are ringing for Betty around November 16.

Mr. and Mrs. Bob McCulloch, who spent the past week visiting at Medicine Hat and Manyberries, returned home last weekend.

Mr. and Mrs. Tom Dench and daughter, Betty, were Calgary over the week, and when Tom was combining business with pleasure.

Other visitors in the city last week end were Mrs. Alfie Thompson, Mrs. Marion and Charlie Mar-

don.

It looks more like spring in this part of Alberta than November, and the lilac buds are starting to break again, indicating more warm weather.

Mr. and Mrs. L.H. Anderson of Sunnyslope have retired from the farm and have moved to Ponoka, where Mr. Anderson has accepted a position with the Pool Elevator. Hank Campbell visited a neighbor recently and purchased part of an old car to make into a power digger.

MELVIN NOTES

Lorne Chandler left Thursday for St. Thomas, Ont., where he will visit with his brother Jay and family.

Bob Youngs and Bob Fulkerth left this week for a few days hunting near Turner Valley. Good luck boys—hope you bring home some venison.

Monday evening, November 14, there will be a whist drive at the home of Lloyd and Edna. This is being sponsored by the F.U.A. local and everybody is welcome.

Mrs. Eddie Krebs and Mrs. Tom Allan returned Friday to their respective homes in Vancouver. For the past few weeks they have been visiting with their parents, Mr. and Mrs. Joe Kyncl, and helped them get settled in their new home in town. Mrs. Kyncl has been very ill but we are glad to report that she is greatly improved.

Miss Ruth Johnston has been visiting in Three Hills this week with Mrs. Vetter.

Mr. and Mrs. Carleton Leeson have sold their farm and will move to town next week. They will be greatly missed in the district and we wish them every success whenever they go.

The November meeting of the Melvin W.L.I. will be held at the home of Mrs. Ross Young instead of at the home of Mrs. G.C. Leeson, as formerly arranged. Since the regular date of the W.L.I. falls on the same day as the Leeson sale, the meeting will be held Nov. 8.

Mr. Bruce Gibson of Laveday Alberta, spent the week end at the Johnston home, enroute to Drumheller where he will spend the winter.

THE DIDSBURY PIONEER, DIDSBURY, ALBERTA

ALBERTA'S 1945 HONEY CROP

In spite of the 33 per cent reduction in the honey crop this year, Alberta is second only to Ontario as a honey producing province. The quality of Alberta honey is uniformly high. It is water-white in color and excellent in flavour and density.

W.G. leMaire, Provincial Apiarist, Alberta Department of Agriculture, advises that the reduction in the honey crop this year is partly due to lower yield. It is true he says that per colony yield is lower, but the drop from this cause is only ten per cent. The big drop from ten million pounds last year has resulted from a reduction of the number of colonies maintained. These have dropped from 70,000 to 55,000. Many war-time beekeepers have gone out of business chiefly because of the changing market conditions and the relatively low price of honey.

LONG COUNT

A satisfying feature of the Believe It Or Not items by the late Robert Ripley is the fact that proof will be furnished on request of the truthfulness of all statements made.

Noticing the item about it requiring over 80 years to count a billion, the editor of LeTourneau Tech's "Now" requested proof and received the following communication:

You count to 100 in one minute (1, 2, 3, 4, etc.)

Count 1000 in 10 minutes, count 6000 in one hour.

In an eight hour day 48,000.

In a year (52 weeks) 12,480,000.

To count to 1,000,000,000 it would take 80 years, 6 weeks, 3 days, 2 hours and 40 minutes.

To count the estimated national debt, 280 billion dollars, it would take 20,400 years.

A spider's web is often only a thirty-thousandths of an inch in diameter.

WEDDINGS

TIGHE — McDONALD

Hillard Herbert Frederick Tighe, youngest son of Mr. Tighe of Peterborough, Ontario, and the late Mrs. Tighe, and Joan, third daughter of Mr. and Mrs. J. R. McDonald of Didsbury, were united in marriage in a double-ring ceremony at 5 o'clock on October 18th at the Chapel of St. George, Currie Barndes, Calgary. Padre J.M. Anderson, Fr. Capt., performed the ceremony.

The bride wore a floor-length white satin gown with waist-length veil and pearl studded crown, and carried a bouquet of red roses.

The bride's sister, Clara, was bridesmaid and she wore a full-length pink sheer gown with matching crown and carried a bouquet of red carnations.

The groom's gift to the bride was a lovely wrist watch and the gift of the bride to the groom was a wrist watch. The gift to the bride's maid was a lovely onyx necklace set, and the gift to the best man, Mr. William McLaughlin, was an initialed Ronson lighter.

The wedding supper was held at the bride's home and a three-tiered wedding cake was served. The table, with pink and white streamers and bells decorated the room.

Mr. and Mrs. Tighe will spend their honeymoon at Edmonton and will reside in Ontario.

The bride and groom were presented with a going away gift of a purse of money from their many friends and a lovely set of traveling cases by the bride's parents.

TAYLOR — COLLINGE

On October 19th at 2:30 p.m. a very pretty wedding was solemnized in the Knox United Church, Didsbury, when Lucille, eldest daughter of Mr. and Mrs. Wm. Collinge of Didsbury, was united in marriage to Mr. Arthur Norman Taylor, youngest son of Mr. and Mrs. Wm. Taylor of Acme, Rev. J. W. Bainbridge performed the ceremony.

The bride, who was given in marriage by her father, wore a white glove satin floor-length gown with fitted bodice, long veil and crown of white pearls. She carried a bouquet of sweetheart roses. Her jewelry was a string of pearls, a gift of the groom.

Her attendants were her sister, Muriel Collinge, who wore a pink sheer floor-length gown with shoulder veil and coronet of net, and her cousin, Edith Collinge, who was dressed in a pale blue sheer floor-length gown with coronet of net and shoulder veil. Both wore pendant necklaces gifts of the groom, and they carried small bouquets of carnations and roses.

The groom was nicely attired in a blue grey suit. He was supported by his brothers, Kenneth and William Taylor.

The bride's mother was attired in a dove grey dress with a corsage of pink carnations. The groom's mother wore a pale green dress with a corsage of red roses.

During the signing of the register Mrs. Marie Coates sang a very lovely old hymn. Then during the reception she rendered two very beautiful numbers.

A lovely reception was held in the church basement with about seventy guests present. The bride's table was centered with a three-tiered wedding cake.

The bride's uncle, Mr. Frank Jackson, proposed the toast to the bride, to which the groom responded.

In the evening a wedding dance was held in the Westdale hall.

The bride and groom departed after the dance for an extended honeymoon trip to Edmonton. For traveling the bride chose a pearl grey suit with black accessories. They will make their home on the groom's farm north of Acme.

HADN'T A CHANCE

The talkative lady was telling her husband about an acquaintance. "If that woman yawned once while I was talking to her, she yawned eleven times."

"Perhaps she wasn't yawning, dear," the husband said, "maybe she wanted to say something."

THE DIDSBURY PIONEER, DIDSBURY, ALBERTA

More than twice as many people in Britain are living to over 85 than in 1931. Official figures show there are 193,000 men and women over 85. Women of this age outnumber men by more than two to one. Indeed, there are more "surplus women" than ever—2,380,000 in December 1947, against less than 1,700,000 in 1931.

Total investment of farm capital in Canada in 1948 amounted to over \$7 billion, according to the Dominion Bureau of Statistics, an increase of nearly three quarters of a billion dollars from the previous year. Farm capital includes money invested in land, buildings, equipment, machinery, livestock and poultry.

BEEF BY AIR

Cattle droving over long distances is one of the main difficulties of the Australian livestock man. But a partial answer has been found in the northwestern part of Australia by taking to the air.

An abattoir has been erected on one of the livestock stations with a mobile killing plant and refrigeration facilities. Here the cattle are slaughtered and the chilled carcasses flown to the northern port of Wyndham about 90 miles distant.

The method eliminates many weeks of road travel with consequent loss of condition. It has already been demonstrated that about 20 per cent more meat can be delivered in this manner, all of which is first-class quality. These advantages, it is claimed, more than compensate for the increased cost of air freight, without increasing the price to the consumer.

FARM FRUIT TREES

Experiments at the Dominion experimental station at Lethbridge have shown that of the tree fruits tested in southern Alberta, only certain crabapples, large apples, plums and plum-cherry hybrids are dependable. Plums, however, have been found to be erratic producers due to their habit of breaking dormancy in February, as a result of warm temperatures caused by chinook winds, and then in many years with buds are frost-killed by low temperatures in late February and March. For the same reason apelsots refuse to do well at Lethbridge. The experimental farm states that outside of a few varieties of crabapples, commercial tree fruit production is not reliable. However, every farmyard should have a few fruit trees.

Strawberries and raspberries are the only reliable producers of the small fruits. Currants are frequently infested with the fruit larva fly and in addition they act as a secondary host to a serious evergreen disease. Gooseberries usually grow well for a few years and then die out due to lack of hardiness.

CHRISTMAS SEALS SOON TO BE MAILED

Dozens of voluntary workers have been busy for weeks, and preparations are almost completed for the opening of the Christmas Seal Sale on November 14, according to Mr. Herb Kerr, chairman of the Rotary Club Christmas Seal Committee for Red Deer and Central Alberta.

Thousands of letters and sheets of seals have been folded and placed in envelopes together with the necessary postage which, it is hoped, will be sent back with contributions in amounts to sufficient to carry on the great work of fighting tuberculosis in Alberta for the year 1950.

Mr. Kerr said, "In Alberta we have the third lowest death rate from T.B. in Canada, but there were 260 deaths from this disease alone in Alberta last year. That is 260 too many, and our job is to try to prevent people dying of tuberculosis. We can do this if we have the public behind us. We need more money this year than ever before. Alberta's objective is \$155,000."

Bands and districts in Calgary and district, \$25,000; Carron, \$1,800; Drumheller and district, \$8,000; Edmonton and Northern Alberta, \$65,000; High River and district, \$2,700; Lethbridge and district, \$15,000; Medicine Hat and district, \$8,700; Red Deer and Central Alberta, \$1,500; Vulcan and district, \$1,500.

OCEAN RATES GOING DOWN

The devaluation of the British pound has apparently caused a cut in ocean freight rates on wheat. British shipping companies are collecting as low as \$4.20 a ton for carrying wheat from Montreal to Europe. Two years ago the rate was from \$10 to \$12 a ton for such

shipments. Canadian ship owners say they cannot match the low British quotations.

British millers have been ordered to use 40% British wheat in the flour which they manufacture. The previous quota was 30 per cent.

"CIRCUMSTANCES made it necessary for me to drive my Hillman to Toronto in a hurry," writes Mr. J. C. B. Keane, of 766 Monterey Ave., Victoria, B.C. "I covered the entire 2,818 mile route in only 4½ days, averaging over 55 m.p.h. for long periods through the United States. Biggest mileage covered in a single day was 690!"

"My Hillman behaved beautifully, cruising smoothly over Stillwater Pass (7000 ft.) in high gear, and handling perfectly at better than 70 m.p.h. on the highway. Despite very long sessions at the wheel without a break, I was always completely relaxed and comfortable. What's more, my Hillman steered and held the road better than any of the big cars I have owned."
